

PRIVACY POLICY

As the data controller, Mevis Spa respects the right to privacy of the users who visit its website ("Visitors") - which can be accessed at the following address: www.mevis.com - and recognises the importance of protecting personal data.

With the entry into force of EU Regulation No. 679 of 27 April 2016 - GDPR, we have taken steps to update our privacy policy to provide visitors with comprehensive information on how we collect, manage and store personal data gathered online.

Visitors to our website will find all the information about our company and will be able to ask for further details, attach a CV, etc., using the dedicated forms provided.

Our aim is to provide all the information necessary to ensure that you can browse the site in a transparent and secure manner. Accordingly, it is important that you read the content of this document carefully and if you do not agree with it, we advise you not to continue accessing and browsing the Site.

By continuing to browse the site, the user automatically accepts the content of these documents:

- ✓ Cookie policy
- ✓ Privacy statement (follow this link: <https://www.mevis.com/sezione-privacy/>)

The personal data collected while browsing our website, as well as any data voluntarily sent to us through the contact form, will be processed by Mevis Spa as the data controller.

Purposes of processing

The personal data collected when you browse our site, as well as any data voluntarily sent to us through the various contact forms, will be processed solely for the purpose of responding to your requests.

To find out more about the methods used to process browsing data, please refer to the information provided in the **Cookie Policy** document.

Type of personal data collected

The personal data collected on the website do not have the nature of special data (as defined in Article 9 of the GDPR), but only serve to identify the visitor.

Methods of processing data and duration of processing

The processing of personal data is carried out using manual, paper, information and communication technology tools, using logical procedures strictly related to the purposes indicated in the Privacy Policy and in any case guaranteeing the security and confidentiality of the data.

Within the Company, the processing of personal data is entrusted to authorised persons who have received specific instructions and training, and who undertake to process the data in a confidential manner.

Updates

The data controller may update and/or amend this document in response to instructions from supervisory authorities or in the event of organisational changes. Visitors are therefore advised to check regularly for any changes.

To ensure transparency in our relations with all visitors who have made requests through the website, Mevis Spa will give specific notice of any updates or modifications.

Rights of the visitor

In accordance with the principle of transparency, visitors are free to request any information relating to the processing of their personal data, also in view of exercising their legal rights recognised by EU Regulation n° 679 of 27 April 2016 - GDPR and specified in articles 15 ... 23 thereof.
